of the
Five Pastas*

2023

Acini di pepe

spinach, basil, mascarpone

NADIA AIDI

Oooh I love
pastina. When you're
sick, this is what they're
supposed to give you.
Yeah! It's like an Italian
grandma thing. Wow,
that's a lot of butter.
Wow, OK.

Umami mushroom

shiitake, portobello, lion's mane

CAROLINA GELEN

Ah,
'nuf said. My
fav food is sautéed
mushrooms. Wow. Oh I
love this girl. I actually have
this video saved. That's
a good pasta shape for
mushroom, 'cuz it gets
all in the tube.

Giant filled pappardelle

ricotta, parmesan, sage butter sauce

ARIPASTACLUB

Oh yes! I
grieved at least one
thing to this dish with the
pasta cutter. I was told this
was the grand finale! Wow,
some sage. I'm really
excited for this one.

Spicy carrot bolognese

fennel, celery, Calabrian peppers

STEPHANIE BARRETT

Oh
I know there,
an ex-Bostonian.
I used to go there a
lot. Good cocktails. This
is the chef? This menu is
complicated. Damn. I've
never had this so I'm
excited. Seems
different.

Beet spaghetti

chèvre, chives

MICHAEL TUSK

Beet
spaghetti?! I
gotta say it looks a
little scary! But I respect
the process. Wow. Do
you just like blend a whole
bunch of beets until it's a
sauce...? Roast them?
Yeah. Wow.
