

The Christmas Sisters  
PRESENT

*Feast  
of the  
Five Pastas*

2025

*Lidey's recipe*

*Like a delicious  
warming soup*

*Nice starter*

## Pastina in brodo

*A bit different without  
being too out there*

*Pastina typically  
goes with broth*

NOT CHEESY

*I don't know, I just picked it*

CHEESY

## Rigatoni cacio e pepe

*Cacio e pepe is more often done  
with strands but I just wanted  
to stick it to Peter!*

*Using rigatoni is underrated.  
Trying to do something a little  
more interesting.*

*is traditionally  
served with*

## Orecchiette broccoli rabe

NOT CHEESY

*It's a Pugliese dish*

*Just a  
simple  
delicious*

CHEESY

*From Borgatti's in  
Little Italy!*

## Ravioli butter & sage

*The ravioli is with  
ricotta. But it is  
nine times out of  
ten. Don't even say  
that, it's redundant.*

*is very traditional Italian preparation when  
you just want the pasta to sing for itself*

✂ AND FINALLY ✂

“IL CLASSICO”

## Spaghetti pomodoro

*It's like coming home*

*You know how every  
story has tension and  
then recovery? This is  
the recovery...*

*especially for Peter!*
